

Parent concern for E-safety form

Moorlands Primary School

Record of concern about E-safety for parents

Please fill in this form if you have any concerns about e-safety for yourself/your child/family. This could be a concern that a child has disclosed to you about something that has happened when they are using the computer or about being bullied (cyber-bullying). It could be a concern that you have on social networking sites involving children or adults.

We will review the form and take the necessary action.

Please place in an envelope, hand it into the office and ask for it to be passed on to Miss Smith (E-Safety Deputy Safeguarding Lead).
