# Peace

Pupils understand peace as:

- Working together
- Being kind and helpful
- Not arguing with each other
- Being respectful of other people's opinions
- No war or fighting
- Caring for each other
- Peace is being quiet or asleep

Pupils see peace at school as:

- Helping each other in lessons
- Using kind words to each other
- Playing with people in the playground who may be on their own
- Working as a team and seeing football as fun. It does not matter how many goals each team scores
