

Moorlands Primary School

Winchester Road,
West Bromwich.
B71 2NZ

Phone: 0121 556 0352

Dear Parent/Carers,

We are continuing to develop our remote learning provision to support your child and would like to trial the opportunity to receive email updates from Google Classroom over the next three weeks.

Google Classroom is able to notify you with email summaries of work that has taken place that week in your child’s class. The frequency of the emails can be set by parents.

What is included in these summaries?

- Upcoming work—Work that’s due today and tomorrow (for daily emails) or that’s due in the upcoming week (for weekly emails). **Please note, as we are continuing to provide as close to ‘Moorlands curriculum’ as we can, teachers usually post work up daily.**
- Class activity—Announcements, assignments, and questions recently posted by teachers.
- Missing work—Work not turned in when the summary was sent.

Parents do not have to log into Classroom to receive the updates, it is designed to give an overview of learning topics and activity within the class. It is an entirely optional notification that can be removed at any time.

Please see a sample of a parent weekly summary (right):

How to request this service?

Please email homelearning@moorlandsprimaryschool.org with your child’s name and we will set up the rest. If you wish to cancel it at any time, at the bottom of the Google Classroom email there will be an ‘unsubscribe’ option.

Thank you for your continued support,
Moorlands Primary School.
