## Remote Learning Expectations

As a school we are aware that rates of infection of COVID-19 across Britain are increasing, therefore, if classes are unable to attend, our learning continuity will be maintained through our G-Suite for Education platform.

Pupils will continue to login to Google Classrooms daily. Daily Live lessons will form an important element of our remote teaching strategy as we move forward and as such we need to ensure that all pupils, parents and carers are aware of, and agree to, the Remote Learning Behaviour Agreement outlined below. This will ensure clarity and that our staff and pupils are safe when engaging with live remote learning.

The agreement below is developed within an overarching aim to provide daily teaching and learning for our pupils whilst at the same time protecting our staff. It is essential that all parties are respectful of each other and that the use of video technology does not become an invasion of privacy. We have ensured that our procedures regarding remote learning and video technology are fully compliant with GDPR regulations.

### Parental Agreement:

I / We agree to support the teaching and learning strategies and increased use of video lessons and interactive live sessions by discussing and reinforcing the expectations identified below.

I/we have considered the recommendation for an adult to be present during live lessons with their child.

I / We have read the pupil agreement and understand that the agreement is important for the safeguarding of all parties.

I/we understand that breach of this agreement will lead to sanctions and in the event that videos are taken and placed on social media could lead to exclusions, permanent exclusion or police involvement.

The school reserves the right to seek legal advice in situations which may be libellous or result in defamation of character.

### Pupil Agreement

I confirm that I have read the learning behaviour agreement below and agree to adhere to it in order to enable teaching staff to make the best use of technology to provide purposeful and engaging learning during a period of school closure.

I understand that breach of this agreement will lead to sanctions and in the event that videos are taken and placed on social media could lead to exclusions, permanent exclusion or police involvement.

The school reserves the right to seek legal advice in situations which may be libellous or result in defamation of character
