Google Search– ten pieces Hall of Mountain King
 This will take you to a familiar orchestral piece. Listen to the music. Imagine the setting or the character that the music could be written about. Draw the setting/character and describe what you imagine. Remember to use lots of adjectives (describing words). Can you include some similes e.g. as dark as the night sky?

Maths: 11:15-12:15

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Always happy to help, the White Rose Maths Team has prepared a series of five maths lessons for each group from Year 1-8. We will be adding five more each week for the next few weeks. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

 U: moorlands
 P: access

See the attached spelling documents for each year group. Select approximately 10 words you feel you need to practise and complete a spelling scribble. **(See today's attachments).**

Don't forget David Walliams audio is released at 11am each day.

<https://parent.numberfunportal.com/>
 Sing songs to learn maths through the Number Fun portal - there is 30 days free for parents at the moment. This is something we use in school so the children might know some of the songs.

Afternoon suggestions

Moorlands Easter bonnet parade and Easter scene Eggtravaganza. Create your own Easter bonnets or design your own Easter Eggtravaganza scene (see below for ideas). Note: due to current situation, we are happy for you to replace your egg with a chocolate one, a small ball or to create your design without an egg at all.

Afternoon suggestions

Spend some time doing something you love to do – this could be playing Lego, doing a jigsaw, having a game or colouring. It's important to have some time looking after yourself.

Put some relaxing music on.
