30th January 2024

Dear Parents and Carers:

Re: World Book Day Thursday 7th March 2024

As part of our work with the World of Stories programme and the Talk for Writing strategies, we would your child to create a new character from their favourite book or make their favourite character by using their handprints as part of their creation. (see examples below),

In school on the day each class will be doing a range of activities including: children in Key Stage 2 will be visiting children in Key Stage 1 and Reception to share and read stories; children will be designing and making bookmarks; children will complete a drop and read speed session; children make listen to audio books and re-create scenes from the book they are currently reading in class.

We look forward to seeing your creative designs.

Yours sincerely

Mrs H Williams
Reading Leader
